Outline

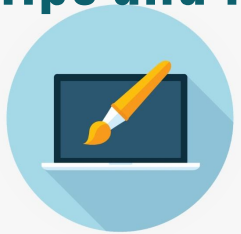
Major skil

Contact person

Tips and Trick

Tips and Trick



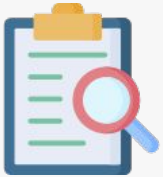
Design dan perpaduan warna yang tepat (keep it simple, content not design)

Jgn masukin semua karya, cukup karya terbaik

Susun berdasarkan kategori

State of originality

relevan



Put some details (objective, user, data source)

Understand business questions

Jgn satu porto untuk semua

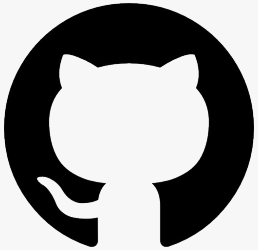
File size kecil (kecuali untuk videographer)

Try put your self in other people shoes

Best Practices

Best Practice

Check The requirement



Put github in notebook form

Finds Job Vacancy you want

Put responsibilities into your portfolio

Write blog or in medium

Thanks!
